DESTINATION SPOTLIGHT

Hawaii - Our 50th State - The Aloha State

Aloha Awaits: The Spirit of Hawaii

Where Every Sunset Feels Like a Promise

The moment you arrive in Hawaii, something inside you shifts. Maybe it's the warm air scented with plumeria and saltwater, or the way the ocean breeze seems to carry your worries away. Maybe it's the sound of the ukulele in the distance, or the way locals smile — genuinely, as if they've been waiting for you all along.

Whatever it is, Hawaii doesn't just welcome you. It embraces you.

The Magic of the Islands

Each island of Hawaii tells its own story — each with a unique rhythm, personality, and charm. Together, they form one of the most breathtaking destinations on Earth — a paradise that calls travelers back again and again.

Oahu – The Gathering Place

Oahu is where modern life and timeless tradition meet. Spend your mornings exploring Pearl Harbor's history, your afternoons surfing the waves of Waikiki, and your evenings dining under the stars in Honolulu.

Venture beyond the city and you'll find the North Shore — where time slows, waves rise, and the spirit of adventure fills the air.

Maui – The Valley Isle

Maui feels like the world's most beautiful secret. The Road to Hana winds through waterfalls, black sand beaches, and rainforests that feel untouched by time. Sunrise at Haleakalā Crater is nothing short of spiritual — a moment that humbles even the most seasoned traveler.

And when winter comes, Maui's coast transforms into a stage where humpback whales perform just offshore, reminding you how vast and vibrant our world really is.

Kauai – The Garden Isle

If ever there were a place to fall in love with nature, it's Kauai. Lush jungles, cascading waterfalls, and the dramatic cliffs of the Nā Pali Coast create a world so cinematic, it's no wonder Hollywood has filmed here for decades.

Beyond the Scenery — The Spirit of Aloha

To truly know Hawaii is to feel the **Spirit of Aloha**.

It's more than a word — it's a way of life. It means kindness, compassion, respect, and love for all living things. It's the belief that life is meant to be shared — that every encounter, every meal, and every sunset is more meaningful when experienced together.

That's why travelers leave Hawaii feeling not just rested, but renewed. There's a sense of connection — to the land, to the people, and often, to oneself.

Let Paradise Travel Group Bring You There

Whether you're dreaming of a honeymoon in Maui, a family escape to Oahu, or an island-hopping adventure across the archipelago, **Paradise Travel Group** will handle every detail.

INTERNATIONAL TRAVEL

WHAT YOU NEED TO KNOW

When traveling internationally, there are things you need to know before you go. What works in the United States, probably doesn't work in a foreign country.

The biggest thing you need to know is your US medical insurance does not work outside of the USA.

For example, if you are in Mexico and need medical attention, they require payment upfront. If you have a serious issue and you are hospitalized then need to get back to the US, it can run into the tens of thousands of dollars. ***That is why TRAVEL ISURANCE is so important when traveling outside the United States.*** The insurance will pay to get you home if you need specialized transportation home (I.e. life flight or international version).

The travel insurance also covers flight delays, missed connections, lodging and meals as a result of the missed connections, as well as lost luggage or damage.

Paradise Travel Group offers great travel insurance plans.

The next biggest thing you need to know is how to enter a foreign country. Many require visas, and unless it's a US territory, you need a valid passport with AT LEAST 6 months left before it expires.

Mexico requires an entry visa if entering by plane or car. At this point cruise passengers don't need to complete the form. It is done electronically.

Some Mexican states like Baja Sur (Cabo) or Quintana Roo (Cancun/Cozumel) have their own in addition to the national form.

While not required once completed, it's HIGHLY recommended you have a print version.

Great Britian now has a visa application you must complete prior to travel. It's recommended at least 60 days in advance.

The European Union has a new visa requirement as well. It is now in effect after delays in implementing it.

THERE ARE FEES INVOLVED FOR EACH ONE.
